Forecast For East of England
Issued by Met Office Exeter
at 1600 on Wednesday 13 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Persistent rain overnight. Clearing tomorrow. Feeling cold.

This Evening and Tonight:
Overcast skies will bring persistent rain to most areas through the evening and night, becoming occasionally heavy. Feeling cold with sometimes strong winds on coasts. Minimum temperature 1 deg C (34 deg F).

Thursday:
Rain, locally heavy in the morning, will clear eastwards during the day, possibly turning to sleet for a brief period. Brighter, but still cold. Icy and frosty overnight. Maximum temperature 4 deg C (39 deg F).

Outlook for Friday to Sunday:
Cold on Friday, with early sharp frost, mainly dry with broken cloud. Windy with rain and snow on Saturday, and possible disruptive accumulations. Mainly dry, bright, but cold on Sunday.
